Magna Graecia HOTEL AWAITS YOU TO DISCOVER ITS BRAND NEW LOOK

Dassia, Corfu, May1, 2017

We are proud to announce that Magna Graecia Hotel has recently concluded the project of an extensive renovation of its rooms and common areas. The renovating procedures began in 1/11/2013 and were successfully completed on 31/12/2014, in time for our guests to make the most of their stay with us upon their arrival.

The new look of our rooms decorated with soothing tones of yellow and orange and simply furnished with bright items, create a cozy atmosphere, while the smart layout guarantees spaciousness and comfort. The Magna Graecia air-conditioned accommodations offer a range of amenities that will satisfy the most demanding visitors. At the pool-side, our guests can enjoy the relaxing atmosphere, lying on the sun-beds, for as long as they wish and free of charge or have their drinks in the pool bar.

We are looking forward to hosting our guests at our renovated facilities, offering the same familiar Greek hospitality; as far as that goes, certainly nothing has changed here at Magna Graecia Hotel. Treating our guests with the best of care remains our top priority.
